

OAK VALLEY ESTATE COLLECTION

—THE— PINK CONTESSA

The Pink Contessa is a pink Moscato, and is proving to be a little addictive according to her lovers who keep coming back for more.

Once you taste it you'll understand why.

It is made from a selection of grape varieties which have been chosen for their luscious flavours, exquisite aromas that tempt the nose and delight the taste buds, leaving a refreshing fizz all the way along your tongue as it is imbibed.

Our love of wine led us to create something which was easy on the palate and on the eye, to be able to be enjoyed by everyone. Equally; at home, late at night in a bar, or taken straight from the fridge, on a sunny Sunday afternoon, to enjoy on the back verandah.

It is nothing too serious and ready to drink now while it is bright and fresh, with a lovely hint of fizz.

Once tasted everyone will fall in love with the Pink Contessa.

TASTING NOTES:

Delicately frizzante, seductively sweet & brimming with rose petal aromas. The palate is bursting with honey dew melon flavours followed by a refreshingly clean finish.

SERVING SUGGESTIONS:

Perfect on its own anytime anywhere. Light enough to be served with lunch, perfect for pre dinner drinks or enjoy with your choice of berry desserts.
